

# WOW!

Remotely control VVT systems with our App and your wireless device...**from ANYWHERE**

Wi-Fi App Based Control  
to support 2-20  
modulating dampers per  
RTU or Split Systems  
**AT HALF THE PRICE**

## GEN X

**UNIQUE ACCESS** to system information and **TOTAL building control**  
**right in the palm of your hand**

### GEN X

A new generation of VVT type control  
to simplify & streamline your installation while  
greatly enhancing your customers system control and comfort

**GEN X allows you to easily expand your offering creating new business opportunities**

#### **EASIEST INSTALLATION YET**

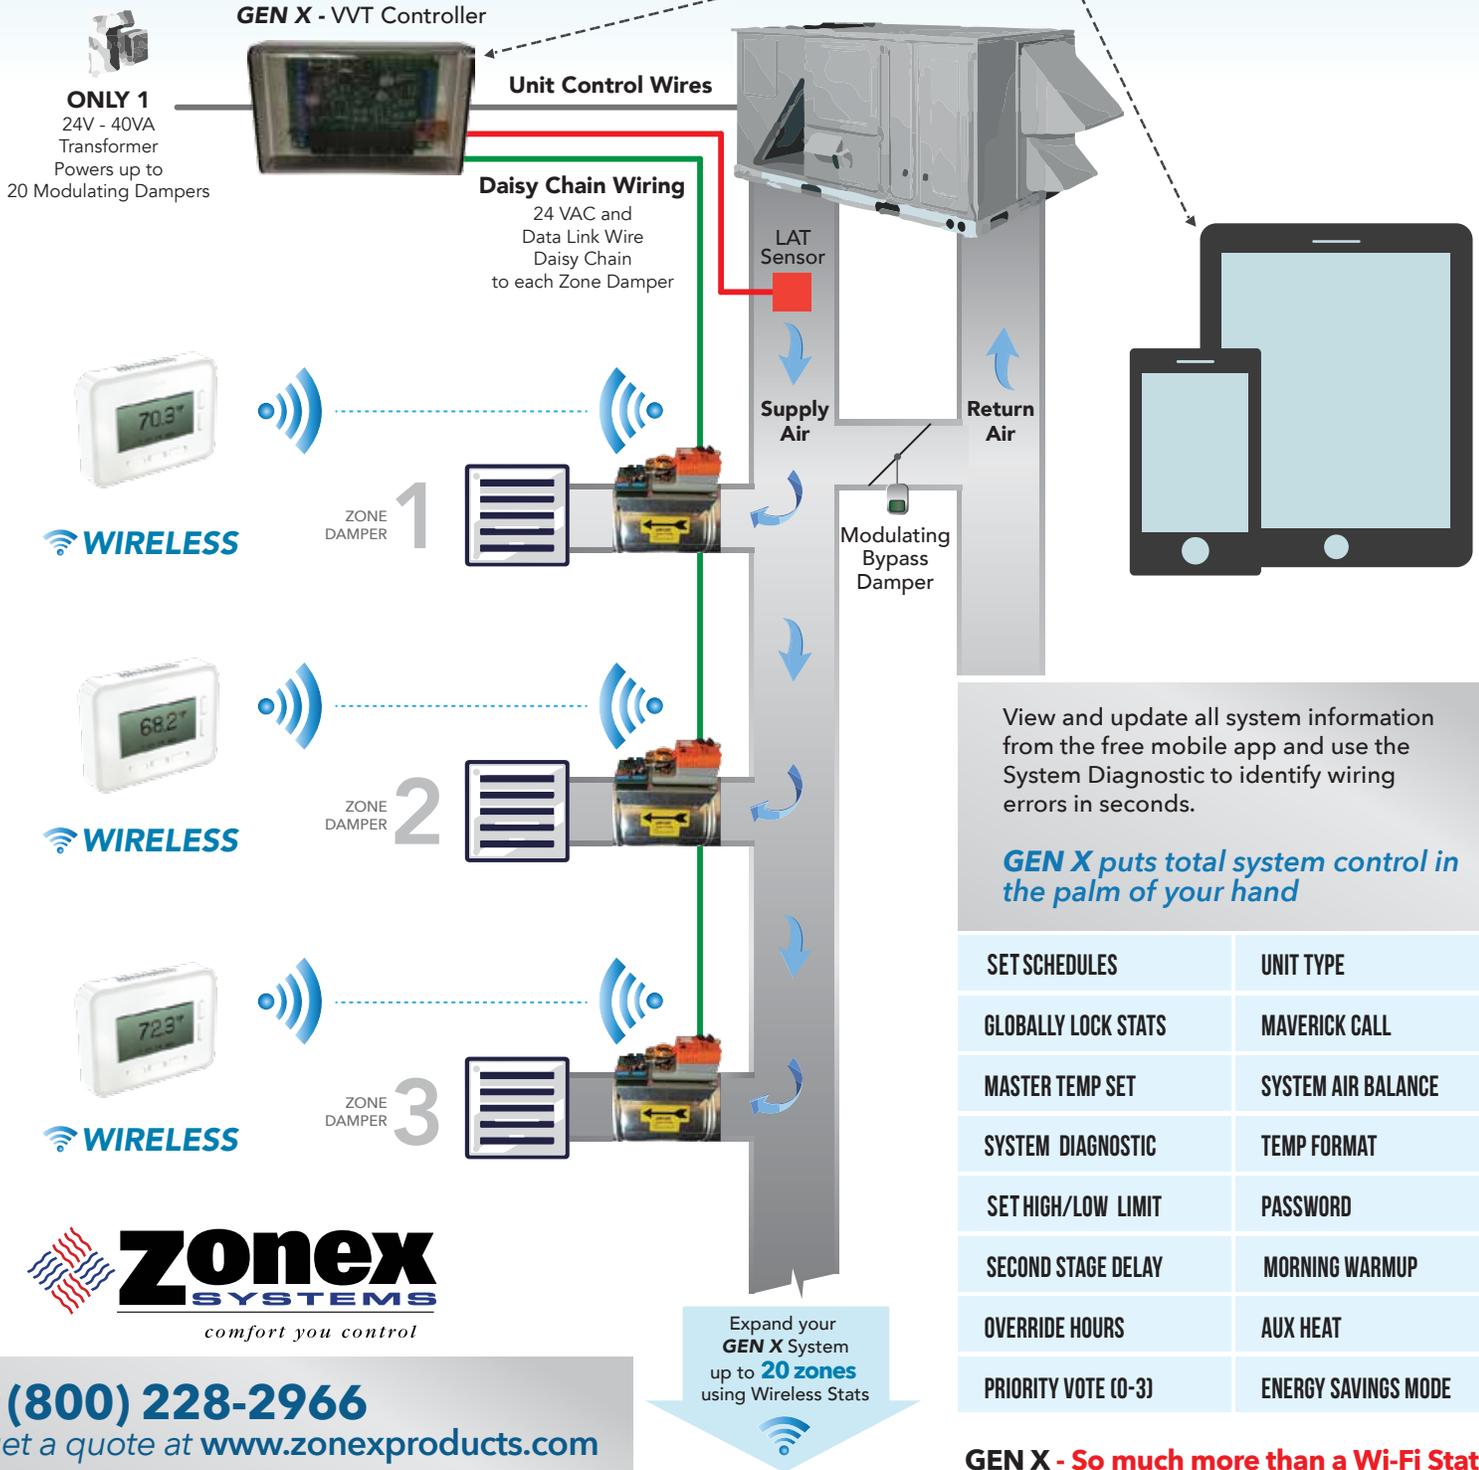

1-24V 40 VA transformer powers all dampers in the system. You simply daisy chain 24V and 2 wire unshielded twisted pair communications loop from damper to damper with no home runs.

#### **WOW - With Out Wires**

Quoting labor on your controls jobs has never been easier without thermostat wiring using our new SIMPLIFIED VVT controls and mobile cloud-based app

# GEN

For customers that want to monitor and control HVAC systems with a wireless mobile device from ANYWHERE

View and update all system information from the free mobile app and use the System Diagnostic to identify wiring errors in seconds.

**GEN X puts total system control in the palm of your hand**
